

# Nepal Appeal for Clothes

Dear **Supporters**,

Many of you have shown an interest in donating **second hand clothes** for needy people in Nepal and have asked for a bit more information.

## 1. What kind of clothes could I donate?

Any clothes are welcome and needed - any size t-shirts, shoes, jumpers, trousers, belts, children's clothes; all will be put to good use.

## 2. Where are these clothes going?

All donated clothes will go to rural villages in Nepal (see photos). The poorest families will be targeted to make best use of the clothes. My company will control the distribution, I hope to be there myself to hand out clothes, but if I can't make it, there will be trusted people in my place.

## 3. How often do clothes go out to Nepal?

Usually September time, warm clothes are beneficial before the winter sets in.

## 4. How do I donate the clothes?

Please donate the clothes in plastic bags. Drop them to our shop between 9.30 – 18.00 Mon – Fri or 10.00 – 16.00 Saturdays. Address: 406 Morningside Road, Edinburgh EH10 5HY. Alternatively Olly can come and collect them, phone 0131 447 7377.

## 5. What happens to the clothes until they are sent to Nepal?

All clothing is bagged and stored in our shop basement.

## 6. How will the clothes be transported to Nepal?

This all depends on the weight, air freight will be an option up to a certain point, but shipping is also an option, to India by sea then overland to Nepal.

## 7. Can I come and distribute the clothes?

Yes, of course. Contact Olly if you are interested to come and hand out the clothes with us. We will photograph the handing out anyway and share this through our website.

[www.ojmtravel.com/news](http://www.ojmtravel.com/news).

## 8. How are the costs of transport being paid for?

My company will sponsor the cost of getting the clothes to the villages. If you would also like to sponsor please contact Olly.
